CODE OF ETHICS

It is the policy of the Village of The Hills (the City) to uphold, promote, and demand the highest standards of ethical behavior from its Mayor, members of the City Council, employees, and individuals appointed to serve on the city's boards, commissions, committees, task forces, and other appointed advisory groups. Honesty, integrity, fairness, and transparency of action are the hallmarks of public service in The Hills. To further these ideals, the following code of ethics (the Code) shall govern all elected officials and employees, including citizen advisory boards and commissions.

a. the City Official or City Employee has access to by means of his office or employment; and

b. has not been made public.

In this section, "information that has not been made public" means any information to which the public does not generally have access, and/or that is prohibited from disclosure under Chapter 552, Government Code.

VII. Discrimination and Harassment

Public decision-making must be fair and impartial and shall not be discriminatory on the basis of those protected classes, such as racial and religious groups, outlined in federal, state, and city laws and ordinances. It is the policy of the City that its City Officials conduct business and operate in a manner that is free from illegal discrimination on the basis of age, sex, color, race, disability, national origin, or religious persuasion, both internally and in the relationships of the elected officials and advisory board members with their constituencies. In addition, it is the policy of the City to create an operating environment that is productive and free from intimidation, hostility, or other adversity. Harassment of any sort – verbal, physical, visual – including intentional and unwarranted actions that would constitute sexual harassment were they to occur in an employment relationship, by any elected official, board member, or staff is prohibited and is considered a violation of the Code of Ethics.
